Iowa

Low-Income Telephone Assistance Programs

Low-income telephone assistance is available to qualifying low-income Iowans as part of two federal support programs. These programs, "Lifeline Assistance" and "Link-Up," are available through Grand Mound Cooperative Telephone Association.

- "Lifeline" is a plan that assists qualified low-income Iowans by providing a monthly credit on their telephone bill in an amount of \$8.25.
- "Link-Up" is an assistance plan that helps qualified low-income Iowans pay for the installation of basic telephone service by reducing connection charges by 50 percent, or \$30, whichever is less.

Another feature of the Lifeline program enables qualified applicants to avoid paying a service deposit if they voluntarily agree to have long distance calling blocked from their telephone.

Iowans who participate in one or more of the following programs are eligible for telephone assistance: Medicaid; Food Stamps; Supplemental Security Income (SSI); Federal Public Housing Assistance, Low-Income Home Energy Assistance Program (LIHEAP), Temporary Assistance to Needy Families Program (TANF) or the National School Lunch Program (NSL).

To apply for either or both of these low-income telephone assistance plans, applicants should submit an application to Grand Mound Cooperative Telephone Association. Application forms can be obtained from Grand Mound Cooperative Telephone Association at 705 Clinton Street, Grand Mound, IA or at the Iowa East Central T.R.A.I.N. office at 1415B 11th Street, DeWitt, IA. This application is also available on the Iowa Utilities Board website at www.state.ia.us/iub. Individuals simply self certify that they are eligible for assistance. No other certification is required. Eligible Iowans are encouraged to submit their application.
